

Sub : Company Profile Regarding.

ABOUT EIC

We are a team of dynamic Engineers backed by **28 years** of direct experience in Manufacture, Trading ,Quality Control, Inspection , Testing & Certification of Lifting tools and tackles ,Lifting machines , Pressure vessels and other Material Handling equipment under Factories Act .We have associated with M/s. Karam Industries for supply of personal protective equipment and with M/s Ferretero Hoist Ltd for supply of Lifting tools, tackles and Lifting machines. Since we are Approved Third Party Inspectors under Factories Act, we can supply the said items with certificate. **Also a successful endeavors of Fire safety equipment and safety alarm and detection system supplier including turn key installation and dealer of reputed brand in India.**

Vison

With a philosophy that quality materials are made for longer life and sustainability, and zero compromise in safety.

Mission

Efficiency, Flexibility and Quality Service with a Personal Touch, State of the Art Technology, combined with strong purchasing advantages and Value for Money. We're committed to offer competitive value for money products and high-level services in order to achieve total client satisfaction. We want to meet and exceed all business clients' goals and objectives, strive for excellence in quality, integrity, and value in all that we do. We want our partners and ourselves to grow profitably in our respective countries, through thorough market analysis, continuous product development, aggressive yield management and prudent financial risk monitoring.

Quality policy

“ENGINEERING INSPECTION COMPANY” aims to achieve and sustain reputation for Calibration of instruments and other related products and testing of man / material handling equipment’s without compromising the safety. Products supplied by us shall fully meet the requirements of our Customers.

We shall achieve this by involving every member of ENGINEERING INSPECTION COMPANY in continual Quality Improvement Programs. We Shall also develop the necessary skills and build an attitude among all towards ZERO DEFECT WORK CULTURE in pursuing our objective.

History

EIC First founded by Mr. K Suresh Shenoy in 1990 and then extended the activities not only restricting to the testing and inspection field but also to the supply of PPE and material handling equipment.

We introduce ourselves as approved Third party Inspection Company for more than 28 years in the field of inspection under Dept. Of Factories and Boilers, Industrial Safety, Govt. of Karnataka, and also to the Petroleum and Explosives Safety Organization Dept. Of Explosives (PESO) . Our company is approved by the Chief Controller of Explosives, Nagpur as a Competent Person under Petroleum Rule 126 & 130 for certifying the Petroleum storage facility & petroleum road tankers. And approved as Third-Party Inspectors for inspection, testing and certification of Pressure Vessel installation, safety relief valves, safety devices and road tankers and Horton Spheres as per Rule 18, 19, 33 and 43 of SMPV Rules 2016. We are also approved by Director of Factories and Boilers, Karnataka, as a competent Person for inspection, testing & certification of Cranes, Pressure vessels, Non IBR Boilers, Centrifugal Machines, lifting tools & tackles , and PPE s as per Factories act. Also, carryout NDT tests like ultrasonic thickness survey & certification of Pressure vessel, Product pipeline & other equipment’s as per standards.

Mr. K. Suresh Shenoy is Chief Executive of the organization monitoring the entire technical activities of the company supported by technical executive Mr. Jayaprakash is in charge of the calibration & Testing laboratory located at Plot no. 134/1P Bala Village, Surathkal Hobli, Mangalore – 575030. Both the technocrats are having more than 25 years’ experience in the field of inspection, Testing & certification of pressure vessel, Non-Destructive Testing (NDT) & Calibration of measuring Instruments and equipment’s.

The Engineering Inspection Company is already associated and registered with reputed organization Viz, Cipla, Biocon, Dr.Reddy Labs, Semi Labs, Mylan Laboratories , Solara Active , Syngene , Mangalore Refinery , ITC Bangalore, Infosys (all over India), Kennametal Widia , Fedaral Mogul , UB , L&T (all over India), Aditya Birla (all over India), Goodrich Aerospace and MCF etc.

Now we have setup full-fledged Calibration Laboratory with ISO & NABL accreditation at Plot no. 134/1P Bala Village, Surathkal Hobli, Next to BASF India Ltd. Mangalore – 575030. This is the first such laboratory for calibration of Mechanical, Electrical & Thermal Engineering in Coastal Karnataka, situated at predominant location adjacent to BASF India Ltd, near to Mangalore Refinery & Petrochemicals Ltd & situated on the Surathkal - MRPL Main Road. We have facilities like testing jig for load testing of lifting machines/ tackles, a separate training room for executives and workmen, more than 5000sqft workshop with 100 Mt. EOT crane for material handling and sufficient space for keeping stock. We are also involved in inspection of projects involving all types of fixed line system and fall arrestors to be inspected under both Factories Act and BOCW Act.

We have a team of qualified & experienced Engineers and dedicated technical staff who can handle any assignment in any stringent working condition.

Facilities/ Services and Products:

- ❖ Inspection, Testing, Calibration in the field of Mechanical, Thermal, Electro technical.
- ❖ Inspection, Testing of Safety relief valves as per Rule 18 of SMPV 2016
- ❖ Approved third party inspector under SMPV rules for Inspection, Testing of Pressure vessels, Road Tankers and Horton Spheres as per Rule 19 , 33 and 43 of SMPV Rules 2016.
- ❖ Approved third party inspector under Petroleum rules for Inspection Inspection, testing of Petroleum tanks as per Rule 126 & 130 of Petroleum rules including turn key installation and designing the facility as per Petroleum, Gas cylinders, SMPV & Explosives rules.
- ❖ Approved third party inspector of Govt of Karnataka, Tamilnadu ,Andra Pradesh & Telangana for inspection of Tools & Tackles , pressure vessels as per Factories Act .
- ❖ Approved third party inspector as
- ❖ **Internal Audit & External Audit. TAC Fire survey and certification.**
- ❖ **Sales and supply of**
 - Chain Blocks,
 - D Shackles
 - Bow Shackles
 - Wire Rope Slings & Nylon slings
 - Hooks

- Electrical hoist, chain hoist & E.O.T Crane including installation
- Karam make all types of PPE's
- Fire safety equipment and installation & Training
- Supply and testing of all kind material handling equipment etc

We also have installed Firefighting facility with detection system in many commercial and industrial building with custom monitoring and computerized control system.

Expert in Fire safety installation :

- ❖ Supply and installation of IS 15683 complete range of portable and ABC type of extinguishers
- ❖ Supply and refilling of CO2 , ABC , Foam, Water mist , cartridge type Fire Extinguishers
- ❖ UL approved Hydrant line installation with skilled radiography welder as per relevant standard.
- ❖ Obtaining approval from Department of Fire for Low rise , High rise , and different category of Building/ facility as per NBC 2016 and NFPA system
- ❖ Complete turn key solution for Fire alarm & Detection system, sprinkler system , Fire hydrant , address system , Fire ball , Fire pump and etc .
- ❖ Designing, execution, safety audit of Firefighting system and specialist in Industrial sector .
- ❖ Obtaining all types of Final clearance from Dept of Fire and Emergency.

Premises

The Head office located at Bhagavathi Towers, Near Bhagavathi Temple , PVS Kalakunj Road Kodialbail , Mangalore , Karnataka -575003 .

644/A , 6th Main 5th cross , Vijayanagara , Bangalore -560040

And our sales house, calibration and testing lab located at Bala , Surathkal Hobli, Near BASF Chemical factory , Mangalore .Which is well connected to the rail , road and port transport facility .

30	M/s. Catasynth Specialty Chemicals Pvt Ltd MSEZ , Mangalore,	Obtaining all statutory approvals from Govt. Of Karnataka and Govt. Of India for the project and Approval / License from Dept. Of Explosives. and Dept. Of Factories and other NOC.

ANNEXURE 'B'

I. MAJOR TURNKEY JOBS HANDLED:

Sl.No.	Name of the Client	Scope of Work
01	M/s STI Granites, Tumkur	Supply, Fabrication & erection of 20KL U/g HSD tank with associated pipeline work.
02	M/s Surfa Coats (Bng) Ltd. Bangalore	Supply, Fabrication & erection of 2 x 20KL U/g MTO, Solvent tank with associated pipeline work.
03	M/s Tropical Flavors, Doddaballapur, Bangalore	Supply, Fabrication & erection of 5 x 20KL U/g Solvent tanks with associated pipeline work.
04	M/s Primacy Industries, Mangalore	Supply, Fabrication & erection of 20KL U/g HSD tank with associated pipeline work.
05	M/s Infosys Technologies Ltd. Phase II, Pune, Maharashtra	Supply, Fabrication & erection of 1 x 25kl & 1 x 50kl U/g HSD tank with associated pipeline & fencing work.
06	M/s Infosys Technologies Ltd. Chengalpet, Chennai	Supply, Fabrication & erection of 2 x 36KL U/g HSD tank with associated pipeline & fencing work.
07	M/s Infosys Technologies Ltd. Hyderabad	Supply, Fabrication & erection of 2 x 32KL U/g HSD tank with associated 900Mtrs pipeline work.
08	M/s Infosys Technologies Ltd. Park V, Bangalore	Supply, Fabrication & erection of 2 x 36KL U/g HSD tank with associated pipeline & fencing work.
09	M/s Infosys Technologies Ltd. Phase I, Mahindra city Chennai	Supply, Fabrication & erection of 2 x 120KL U/g HSD tank with associated pipeline & fencing work.
10	M/s Infosys Technologies Ltd. Chandigarh (U.T)	Supply, Fabrication & erection of 2 x 36KL U/g HSD tank with associated pipeline & fencing work.
11	M/s Hikal Ltd. Bangalore	Supply, Fabrication & erection of 6 x 20KL solvent tank with associated pipeline & fencing work.
12	M/s Strides Research & Specialty Chemicals Ltd., Mangalore	Supply, Fabrication & erection of 1 x 20KL A/g FO tank with associated pipeline work.
13	M/s Tata Consultancy Service, Chennai	Supply, Fabrication & erection of 3 x 30KL U/g HSD tank with associated pipeline & fencing work.
14	M/s Bharath Heavy Electrical Ltd, at M/s THDC Uttar khan	Supply, Fabrication & erection of 2 x 20KL U/g HSD tank with associated pipeline & fencing work.
15	M/s Zircast ltd Bangalore	Supply, Installation of 2X5 KL HSD LPG bullet
16	M/s SMCC CONSTRUCTION INDIA LTD (Exedy India Narasapura) Bangalore	Supply, Fabrication & erection of 2 x 90 KL U/g HSD tank with associated pipeline & fencing work.

17	M/s Infosys Ltd. Chegalpet , Chennai	Supply, Fabrication & erection of 2 x 120 KL U/g HSD tank with associated pipeline & fencing work.
17	M/s Infosys Ltd. Mysore	Supply, Fabrication & erection of 2 x 60 KL U/g HSD tank with associated pipeline & fencing work.
18	M/s Punj Lloyd Ltd , Mangalore	Obtaining Approval for the project from Dept. Of Explosives./ Dept. Of Factories
19	M/s Biocon Ltd , Bangalore	Obtaining Approval / license from Dept. Of Explosives./ for 45 KL Class A Solvent godown & Construction on Turkey basis
20	M/s. Syngene International Limited, Mangalore Special Economic Zone (MSEZ)	Obtaining Approval / license from Dept. Of Explosives./ for Class A Solvent Godown & Construction on Turkey basis
21	M/s. Givaudan (India) Pvt Ltd, Bengaluru -560105 .	Obtaining Approval / license from Dept. Of Explosives./ for Class A Solvent Godown & Construction on Turkey basis
22	M/s. Catasynth Specialty Chemicals Pvt Ltd MSEZ , Mangalore,	Obtaining Approval / license from Dept. Of Explosives./ for Class A Solvent Godown & Construction on Turkey basis
23	M/s Goodrich Aerosprace Ltd , Bangalore	Obtaining Approval / license from Dept. Of Explosives./ for 2 Nos 24 KL Class A Solvent godown & Construction on Turkey basis
24	ONGC OMPL	Cross country line erection, installation and obtaining final License
